

Position Vacant

SENIOR UNDERWRITER (X2)

Southern Cross Assurance Limited is a licensed General Insurance Company. We are currently seeking qualified insurance professionals for the positions within our Underwriting Department to work alongside the Underwriting Manager and Team Leader, as part of a team of Underwriters in delivering efficient and effective underwriting service to our clients.

Job Expectations & Key Responsibilities

The Southern Cross Assurance Underwriter is an experienced professional managing a diverse range of Professional Liability risks. Their key responsibilities include ensuring profitability, growth, and retention of assigned business, as well as underwriting new and renewal business on complex accounts. They are involved in marketing and building relationships with agents and brokers, and they collaborate with other business units for company growth. The Underwriter manages agents and brokers to maintain strong business relationships, employing a consultative approach to market products and identify new opportunities. They also develop agency business and sales plans in partnership with the Underwriting Manager and foster collaboration by assisting in training less experienced staff while focusing on their own personal development.

Qualifications and Work Experience

- 5 to 7 years of work experience of Underwriting
- Qualification of ANZIIF Associate or higher
- Thorough knowledge of medical policy wordings and limitations.
- Ability to exercise sound judgement in risk selection.
- Knowledgeable of industry changes, legal updates and technical developments
- Excellent computer skills
- Strong negotiation skills
- Enjoy working in a team based environment
- Strong communication skills both verbal and written
- Self-directed with high levels of personal accountability and responsibility
- Excellent reasoning, judgement and decision-making abilities
- Strong analytical skills with high attention to detail
- Excellent time-management skills and ability to work in a fast paced environment involving multiple tasks and priorities

Apply Now
